ADMINISTRATION

Our teachers, although we may not have realized it, shaped our thoughts, our minds, our ideas. We thought they brought us hard times with exams and homework. Only later will we realize that they brought us understanding, understanding of life, of others but mostly an understanding of ourselves.

UNDERCLASSMEN

For students here, their six years spent provides a time of enrichment, a time for growing, for changing, for understanding. Hours are spent studying, socializing, planning dances, attending sports events, raising money, attending classes, but most of all learning, learning of life, learning to love. Classes are an important part of life at C.A.H.S. and they provide a testing ground for new ideas and ways for growing together . . . as one, in a class.

SPORTS

The teams at Carmichaels are formed by each member providing a link in the chain which bonds them into one strengthened unit. Each person forms one link of mental strength and agility as he performs his individual feat. Each time the Mikes prepare for competition, they strive for their individual challenges knowing that their personal achievements will unite, spelling trouble for the opponents and victory for the Mikes!

Asst. Coach John Krajnak looks worried.

We are the champions! This is no understatement in describing the 1977 Carmichaels Mikes football team. With an overall record of 8-3 and a conference record of 6-1, the Mikes were Tri-County Champs and were second to no one. The Mikes then went onward to the playoffs but were defeated by Duquesne 51-0. This great season made Mr. Lapkowicz coach of the year in the Tri-County conference and certainly made the 1977 football season a season to remember.

Seniors; Kneeling: Mark Zuspan. **Standing:** Toby Zappone, John Yeash, and Tim Jones.

Top Left: Coach Lapkowicz and team plan strategy. **Top Right:** Waynesburg Raiders downed by the Mikes 12-7. **Middle Left:** Mikes 21, Bob Jones, picking up yardage. **Middle Right:** Mikes held off all opposition. **Bottom:** Mikes hard summer practices paid off in victories.

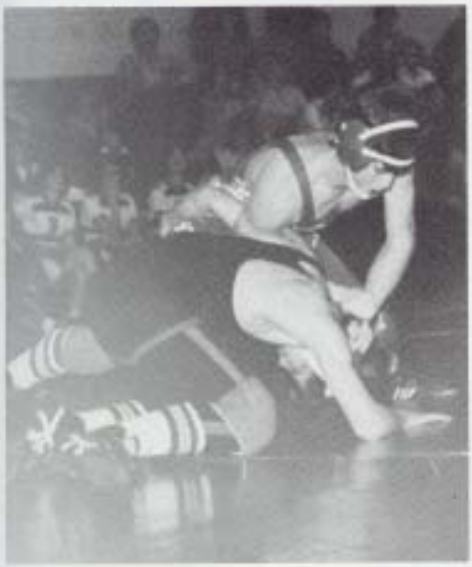
MIKE'S WINNING TEAMS AND PLAYERS

FOOTBALL

The 1977 Football Season for the Mikes' started out on the right foot with a win against one of our toughest opponents, A.G. We continued to win and it paid off as we became Section Champs. Many players were recognized for their efforts. John Yeash was named Outstanding Player; T. Jones, J. Yeash, T. Zappone, B. Burnette, J. Henrish, B. Jones, and J. Pascuzzo were named to the All County Team, and T. Jones, J. Yeash, T. Zappone, B. Burnette, B. Jones, and J. Pascuzzo were named to the All Conference Team. It was a great year for football at C.A.H.S.

GOLF

This season the Mighty Mike's golf team was 3-5 in the season's matches. The team was led by seniors Mark Mangicarne, Joe Smith and Leonard Zavora and was inspired by the great coaching of Mr. Hoyle.



WRESTLING

The wrestling team may not have had a perfect season, but many individual wrestlers excelled. M. McWilliams was named to the Greene County All Star Team, and also took 1st place in the Greene County Coaches Tournament. Placing 2nd in that tournament were J. Yeash, T. Croftcheck, M. Zuspan, and T. Rodavich. At the Section Tournaments, M. McWilliams took another 1st and J. Yeash took 2nd. Both boys went on to the WPIAL Regionals where J. Yeash placed 4th and M. McWilliams became the first winner from C.A.H.S. since 1939.

GIRLS' BASKETBALL

The 1978 Girls' Basketball team ended its season with a record of 7 wins and 9 losses. During the season the two leading scorers, Donna Pascuzzo and Kim Tekavec contributed greatly to a victorious outcome for Carmichaels; but the team as a whole showed good sportsmanship and school spirit.

BOYS' BASKETBALL

This year the Mikes enjoyed an unexpectedly good season. Coached by Mr. Williams and his assistant Mr. Ricco, they ended the season with an 11-10 record. They placed 2nd in the Lions Tournament and Mr. Williams was very pleased that with no returning lettermen, such an inexperienced team played so well. High scorer for the season was E. Beck, closely followed by T. Zappone, T. Jones, G. Angelini and S. Thomas.

GIRLS' SOFTBALL

It seems as if C.A.H.S. can't stay away from the Playoffs. First in football and then in softball. And when the softball team went, they really went. After a great season's record of 14-1, they went on to the first round of the playoffs against Uniontown, defeating them 10-6. On they went to the quarter finals against Norwin and had another great win of 7-3. Then, in the semi-finals against Chartiers Valley, they were defeated 16-2. Yet, to go so very far is a very high honor and we at C.A.H.S. are very proud of them.

BOYS' BASEBALL

After starting the season off on a wrong note, the C.A.H.S. Mikes came back to prove that they still had what it takes.

ACTIVITIES

Activities were the part of school in which we escaped the daily grind of classes to good times shared with our friends and classmates. Whether American, bilingual, single sex or coed, our clubs were the backbone of our high school years. They made us laugh, made us cry, and sometimes when the stress became too great, we felt as if we could push them all aside. But through our accomplishments and achievements, somehow we realized that the effort put forth was worthwhile and paid off in the end.

SENIORS

After eleven years of growing and changing we have finally acquired the title of "Seniors." We have reached the top. Somehow we lasted through all the tests, homework, and long hours of studying. Football games, pep rallies, assemblies, and clubs were just a few activities that helped us make it. We will never forget these and all the other activities we have participated in together as the Class of '78.
